

# Kenowa Hills Public Schools Education inspired.

August 3, 2021

Dear Kenowa Hills High School Students and Families,

I cannot believe we are getting ready to start the 21/22 school year already! We are excited.

Below are the times for next week's registration. There is no assigned time by alphabet.

Tues 08/10/21 9am – 12pm and 1pm – 3pm

Wed 08/11/21 9am – 12pm and 1pm – 3pm

Thurs 08/12/21 9am – 12pm and 1pm – 3pm

## **PowerSchool Parent Portals**

Parents, please make sure you have completed the online enrollment **before coming to registration**. This is vital to our communication this school year.

Visit <https://ps2012.khps.org/public/home.html> or <https://www.khps.org/> --> Parent Resources --> PowerSchool from the Parent Portal:

1. Login to your PowerSchool Parent Portal account
2. Select the student you wish to register along the top
3. Select the Student Registration Icon on the left side for ACADEMIC YEAR.

## **Lockers**

We will not be utilizing lockers again this year. Although we are moving in the right direction in regards to COVID as a state, we still want to be able to contract trace if needed. Not using lockers will help eliminate congregating and close contact when changing classes.

## **Transportation**

Bussing will be available again this year, although routes will not be available until the 18<sup>th</sup> of August. Please do not contact the Bus Garage with questions about routes until after final routes have been posted. You may go [khps.org](https://www.khps.org/) > Resources > Bus Routes and scroll towards the bottom for updated routes for the 21/22 School Year.

## **Parking**

Parking Registration forms and stickers will be available to pick up at registration for those students that drive to school. Each car must be registered. The cost will be \$20, even if you drive multiple vehicles.

## **Chromebooks**

All incoming 9<sup>th</sup> graders, new students, and any student that turned in the chromebook in the spring, may pick it up during registration in the Media Center. The Tech Department will be available to pick up chromebooks and pay chromebook insurance. All students, even those students that decided to keep

their chromebooks, can pay their \$20 chromebook insurance at this time. Payment can be made by cash, check, or card in the Media Center.

## Schedules

Schedules will be available to pick up. New students and incoming freshman, we will have Kenowa Connectors available to help show you around!

## **IMPORTANT INFORMATION regarding Schedule Changes**

To ensure a smooth registration process, we would like to provide you with information about schedule changes. Much time and consideration has been given to creating a master schedule that meets the academic needs of the entire student body. We prioritize students' opportunity to meet graduation requirements, course requests made and confirmed in the spring, and balanced class sizes. **Because changes affect the balance of the schedule and teacher assignments, teacher changes and lunch changes cannot be accommodated. Year-long classes cannot be dropped at the semester.**

Please meet with your counselor during your assigned registration time to adjust your schedule if:

1. You are enrolled in fewer than 6 courses each semester.
2. You are enrolled in two courses in the same hour of the day.
3. You are enrolled in the same course more than once.
4. You are enrolled in a course that you have already successfully completed.
5. You are enrolled in a course that requires a prerequisite you have not yet taken.
6. You are a senior who is missing a graduation requirement.

If you have a complete schedule that includes six courses, though not necessarily the teachers or hours you would prefer, we consider this to be your FINAL schedule for the duration of the school year. Requests for schedule changes that involve a change in teacher or change in lunch hours will NOT be considered.

## Food Service

Information will be coming out soon for Ms. Williams, the Director of Food Service.

## Geskus

Geskus will be here to take photos and provide students with their Student ID's. Forms will be available from Geskus to purchase photos if you'd like.

We are excited to see you next week. Call the Main Office if you have any questions at all.
